REPORT ON
Guru ki कक्षा Episode 3 (App Development Using Python)

Organised By: B.Sc. (C.S.) & B.Sc. (I.T.) Department in collaboration with P.H.E

Date: 5th August, 2023

Time: 10:00 a.m. - 12:00 p.m.

Venue: Seminar Hall

BACKGROUND

- **Reason/Objective-** The goal of the "App Development Using Python" seminar is to introduce participants to the current thriving language Python and its libraries, which aid in the development of applications.
- **Conducted under-** The seminar was conducted by B.Sc. (C.S.) & B.Sc. (I.T.) Department in collaboration with P.H.E
- **Usefulness-** The seminar can serve as a platform for students to explore potential career paths in technology, allowing them to discover various opportunities and industries where technology plays a crucial role.
- **Expected Outcome-** - The event's planned outcome was to equip the next generation with the information, skills, and passion required to embrace and responsibly utilize technology, preparing them to flourish in an increasingly tech-driven world.

BRIEF INTRODUCTION

The B.Sc.(C.S.) & B.Sc. (I.T.) Department in collaboration with P.H.E department of Thakur Ramnarayan College of Arts and Commerce had organised a seminar on “App Development Using Python” for T.Y.B.Sc.(C.S.) & T.Y.B.Sc.(I.T.) and S.Y.B.Sc.(C.S.) & S.Y.B.Sc.(I.T.) students on Saturday, 5th August 2023. The session started with the inauguration ceremony of “Guru ki कक्षा”. The speaker for the session was Mr. Meet Jethwa. The speaker presented keynote talks in this session, presenting knowledge on the Python language and various essential libraries that aid in the development of applications such as notepad, currency converter, and many more. The session drew a total of 91 students.

OBJECTIVES OF EVENT

The main objectives behind the seminar held was to

- To educate students about the flourishing language python.
- To encourage networking and interaction between students and industry experts.

DETAILS OF PARTICIPANTS

Number of faculty members present	15
Number of Student Attendees (T.Y.B.Sc.(C.S.) & T.Y.B.Sc.(I.T.))	91
TOTAL	106

CONDUCT OF THE ACTIVITY

Notice No.: TRCAC/DC/CEEP/011/2023-24 was circulated among students on 04/08/2023 through Whatsapp. The overall arrangements were supervised by the Co-ordinator and executed by the Faculty Members.

BEST LIKED PART OF THE PROGRAM

- Active involvement from the students of T.Y.B.Sc.(C.S.) & T.Y.B.Sc.(I.T.) and S.Y.B.Sc.(C.S.) & S.Y.B.Sc.(I.T.) during the live coding session conducted by the guest speaker.

OUTCOME

After the event, students were able to:

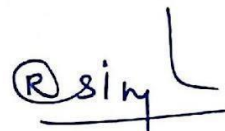

- Interact with professionals and experts in the field, potentially leading to internships, mentorships, or other valuable connections.
- Connect theoretical and practical Python concepts, the lecture assists students in seeing the practical applicability of technology in numerous businesses and societal contexts.

REPORT ON “Live Coding with Azure, ETL, Database, Java, AWS & Python”

30th SEPTEMBER, 2023

ORGANISED BY

B.Sc (I.T.) & B.Sc (C.S.) DEPARTMENT

THAKUR RAMNARAYAN COLLEGE OF ARTS AND COMMERCE

BACKGROUND

- **Reason/Objective-** The main objective was to educate students about modern technologies and tools commonly used in the field of data engineering, such as Azure, ETL (Extract, Transform, Load), databases, Java, AWS, and Python.
- **Conducted under** - The seminar was conducted by B.Sc (I.T.) & B.Sc (C.S.) department.
- **Usefulness** - The seminar equipped participants with the knowledge and skills required to think critically and solve complex problems in real time.
- **Expected Outcome-** The expected outcome of the seminar was that students will acquire practical skills in using Azure, ETL, databases, Java, AWS, and Python, which are directly applicable to a wide range of industries and professions.
- **Expected to increase-** The seminar aims to empower students with knowledge and practical skills that are directly applicable to their academic pursuits and future careers.

BRIEF INTRODUCTION

The B.Sc (I.T.) & B.Sc (C.S.) DEPARTMENT organised a seminar on “Live Coding with Azure, ETL, Database, Java, AWS & Python” on 30th September, 2023. The Coordinator of the B.Sc (C.S.) department Mr. Vishal Sharma welcomed the speakers for the day. The speakers of the seminar were Mr. Nirmal Vyas - Senior Software Developer at Jio Haptik & Mr. Pradeep Sharma - Data Engineering Specialist at Accenture.

The seminar began with Mr. Nirmal explaining various topics relating to software development, coding practices, and real-world application of programming languages such as Java and Python. Later the speaker also showcased how these languages are utilised to build software solutions and web applications, offering students practical insights into software development best practices.

Furthermore another speaker Mr. Pradeep provided a different perspective with a focus on data engineering, ETL processes, and database management. He also shared his experiences

in handling data, using ETL tools, and managing databases, particularly in the context of cloud platforms like Azure and AWS.

The seminar ended by **vote of thanks** proposed by **Ms. Vedanti Kulkarni**.

Students were notified about the seminar through the Website, Instagram page and Notice. On the day of the event, students were present in the college campus.

OBJECTIVES OF SEMINAR

The main objectives behind the program held was to

- Foster interdisciplinary learning by combining elements of database management, programming (Java and Python), cloud computing, and data transformation.
- Assist students in building valuable skills that are in demand in the job market

DETAILS OF PARTICIPANTS

Number of faculty in-charge	10
Number of Participants	50
TOTAL	60

CONDUCT OF THE ACTIVITY

Notice No.: TRCAC/DC/CEEP/28 of 2023-24 was circulated among students on 29/09/2023 through a website and WhatsApp group.

The overall arrangements were supervised by the Coordinators of B.Sc (I.T.) & B.Sc (C.S.) Department and executed by the event incharges.

SUGGESTIONS/COMMENTS

- More such programs should be organised.

BEST LIKED PART OF THE PROGRAM

- Active involvement from the participants.

OUTCOME

After the event, the participants were able to:

- Gain a holistic understanding of how various technologies and tools can work together, enabling them to address complex real-world challenges more effectively.
- Learned to adapt to evolving technologies, a crucial skill in the fast-paced tech industry.

REPORT ON

Data Analytics using Microsoft Advanced Excel and Power BI

Organised By: B.Sc. (C.S.) & B.Sc. (I.T.) department

Date: 16th and 17th October 2023

Time: 11:00 a.m. - 1:00 p.m.

Venue: Seminar Hall & Computer Lab

BACKGROUND

The main objective was to educate participants about the importance of data analytics using Microsoft Excel and Power BI and how it can be used to visualise the data for Business purposes.

- **Reason/Objective-** The main objective was to clear the concept of the data analytics using Microsoft Advanced Excel and Power BI and to provide participants the hands-on training knowledge of the **Microsoft Excel and Power BI** softwares.
- **Conducted under-** The workshop was conducted by B.Sc. (C.S.) & B.Sc. (I.T.) Department in collaboration with DVOC Institute, Mumbai
- **Usefulness-** The workshop can serve as a platform for students to explore the knowledge of tools such as Power BI which is used by the companies involved in data analytics and it can serve as a decision making tool for the entrepreneurs.
- **Expected Outcome-** The expected outcome of the event was to enhance the knowledge of students with practical sessions using the Microsoft data analytics tools.

BRIEF INTRODUCTION

The B.Sc.(C.S.) & B.Sc. (I.T.) department in collaboration with DVOC Institute had organised a workshop on “**Data Analytics using Microsoft Advanced Excel and Power BI**” for T.Y.B.Sc.(C.S.) & T.Y.B.Sc.(I.T.) students on Monday, 16th and Tuesday, 17th October 2023. The speaker for the session was Mr. Rushikesh Thakur.

The session was conducted in two days.

Day 1 :- Speaker delivered the introduction and demo of Advanced excel concepts like Pivot, Lookup etc. and brief introduction about Power BI.

Day 2 :- Speaker delivered a hands-on session providing training to the students with practical exposure about **Microsoft Advanced Excel and Power BI**.

A total of 30 students were present for the workshop.

OBJECTIVES OF EVENT

The main objective behind the workshop held was :

- To educate students regarding the various tools available for data analytics such as Microsoft and Power BI.
- To encourage the students to pursue a career as Data Analyst especially to those who are not strong in programming fundamentals.

DETAILS OF PARTICIPANTS

Number of faculty members present	10
Number of Student Attendees (T.Y.B.Sc.(C.S.) & T.Y.B.Sc.(I.T.))	30
TOTAL	40

CONDUCT OF THE ACTIVITY

Notice No.: TRCAC/DC/IP/02/014/2023-24 was circulated among students on 06/10/2023 through Whatsapp. The overall arrangements were supervised by the B.Sc.(C.S.) Co-ordinator, Assistant co-ordinator and executed by the Faculty Members.

BEST LIKED PART OF THE PROGRAM

- Active involvement from the students of T.Y.B.Sc.(C.S.) & T.Y.B.Sc.(I.T.) during the Hands-on session.
- Providing students with practical exposure to specific technologies for data analytics.

OUTCOME

After the event, students were able to:

- Learn data analytics using Microsoft Advanced Excel and Power BI which equips students with essential skills and knowledge that are highly relevant in today's data-driven world.
- Extract valuable insights from data, make data-informed decisions, and effectively communicate their findings. These skills are valuable in a wide range of professions and industries.

Workshop on "Python with Machine Learning"

BACKGROUND

- **Reason/Objective:** The objective was to provide advanced insights and techniques beyond basic information..
- **Usefulness:** The program was useful, as students were able to understand the latest technologies to refine their skills.
- **Expected Outcome:** The expected outcome of the program was that the students got a clear understanding of the latest technologies in Machine Learning.

BRIEF INTRODUCTION

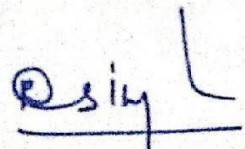

Department of B.Sc.(I.T.) and B.Sc.(C.S.) of Thakur Ramnarayan College of Arts & Commerce had organized a workshop on Python with Machine Learning for the students of Third Year aimed at enhancing your proficiency in Machine Learning with Python as a new age tool for the technological world. Therefore, we are committed to investing in your development to help you excel in your career and contribute more effectively to your profile.

REPORT ON “UI/UX Workshop”

3rd FEBRUARY, 2024

ORGANISED BY

B.Sc. (I.T.) & B.Sc. (C.S.) DEPARTMENT

THAKUR RAMNARAYAN COLLEGE OF ARTS AND COMMERCE

BACKGROUND

- **Reason/Objective** - The main objective was to offer practical, hands-on exercises to allow students to apply UI/UX principles in designing interfaces and experiences for digital products.
- **Conducted under** - The seminar was conducted by **B.Sc (I.T.) & B.Sc (C.S.)** department.
- **Usefulness** - The seminar equipped participants with the knowledge and skills required to adopt a user-centered design approach, focusing on understanding and addressing the needs and preferences of end-users.
- **Expected Outcome**- The workshop aimed to improve students' communication skills, enabling them to articulate design decisions and collaborate effectively with team members and stakeholders.
- **Expected to increase**- The content covered in the workshop is expected to align with industry standards, making students more relevant to employers seeking professionals with UI/UX skills.

BRIEF INTRODUCTION

The **B.Sc. (I.T.) & B.Sc. (C.S.) DEPARTMENT** organised a seminar on “**UI/UX**” on **03rd February, 2024**. **Ms.Prachi Singh** welcomed the speaker for the day. The speaker of the seminar was **Mr.Angirass C Joshi**, a **Senior Product Designer** specialising in **UX Research** with **8+ years of experience**.

The seminar began with **Mr.Angirass** conducting a live interaction and giving them use cases or scenarios related to projects that the clients expect the organisations or designers to design based on their requirements as well as the understanding the clients' behaviours, needs, and preferences. Various ways were employed to combine both the visual and functional aspects of a digital product. The students were also provided with a hands-on experience in working with the Figma prototype tool. This included learning various editing tools for shapes, icons, and other graphical components. Additionally, they were guided on how to define and manage consistent styles, such as colours, typography, and components, across the entire project.

The seminar ended by **vote of thanks** proposed by **Ms.Prachi Singh**.

Students were notified about the seminar through the Website, Instagram page and Notice. On the day of the event, students were present in the college campus.

OBJECTIVES OF SEMINAR

The main objectives behind the program held was to

- Foster a design thinking mindset among students, encouraging creative problem-solving and empathy for end-users.
- Familiarise students with industry-standard UI/UX design tools such as Sketch, Adobe XD, Figma, or InVision, enabling them to apply their skills in real-world scenarios.
