# **Perspective Plan ( 2020-2030)**

## **Perspective Plan 2020-2030: Thakur Ramnarayan College of Arts & Commerce (TRCAC)**

**Vision:** To be a leading institution of higher education contributing to societal development through holistic approach towards learning.

**Mission:** To nurture and sustain academic excellence by imparting quality education to develop a community of intellectuals with professional skills and ethical values.

### **I Introduction and Context**

Thakur Ramnarayan College of Arts & Commerce (TRCAC) stands as a beacon of quality education, social commitment, and environmental stewardship. In response to evolving needs, TRCAC is committed to a 10-year Perspective plan (2020-2030) to propel the institution towards excellence, sustainability, and inclusive growth.

### **II Short – Term Goals (2020-2025)**

#### **1. Quality Enhancement**

TRCAC is dedicated to enhancing the quality of education through multifaceted measures such as :

- Obtaining ISO 21001:2018 certification for adopting international quality standards in delivering education services.
- Organising faculty development programs, training programmes etc. for the faculty members for fostering innovative teaching methodologies and curriculum enhancement.
- Arrangement of regular workshops and seminars to ensure faculty members stay updated with the topics such as National Education Policy 2020 , Intellectual Property Rights, Outcome based education etc. and to get well versed with latest pedagogical techniques .
- Promotion of research activity among faculty members by arranging for research conferences, workshops etc. resulting in increased publications, presentations at conferences, and engagement with the wider academic community.

- Establishment of a feedback mechanism for continuous improvement of academic programs, allowing students to express their views and suggestions for program enhancement.
- Organising training Modules Sessions, Career Counseling Sessions for students for enhancing the employability skills.

## **2. Infrastructure Modernization**

Keeping in mind the pivotal role of modern infrastructure in delivering effective education services, the institute has the following goals in the pipeline:

- Upgradation of existing classrooms with smart technology to enhance interactive learning experiences, including whiteboards, audio-visual aids, and Wi-Fi connectivity.
- Restructuring the library to create a vibrant knowledge hub with digital resources, online databases, and modern facilities conducive to individual and collaborative study and taking up subscription of e-learning resources for expanding the collection of library books and other study materials.
- Modernization of computer laboratories with high-end computers, ensuring students have access to the latest technologies for practical learning.
- Establishment of a comprehensive campus-wide IT infrastructure, enabling seamless online learning, student information management, and communication.

## **3. Community Outreach**

Acknowledging the significance of community engagement in holistic education:

- Strengthening of the National Service Scheme (NSS) unit to engage students in meaningful and prevalent social issues and causes such as Swachh Bharat Abhiyan, Blood donation programmes, awareness programmes on ill effects of drugs, health, hygiene, and education, tree plantation programmes, cleanliness drives etc. fostering a sense of responsibility and citizenship amongst the students of TRCAC.
- Establishment of partnerships with non-governmental organisations (NGOs) to provide students with hands-on experiences in societal development, contributing to the well-being of marginalized sections of society.

- Organise quarterly health camps in underserved areas, providing medical support, health education, and screenings to local residents, thus contributing to improved community health.
- Conduct workshops on skill development and vocational training, empowering communities with practical skills that enhance employability and income generation.
- Collaborate with local schools for literacy campaigns, focusing on primary education, ensuring that young learners have a strong foundation in reading and basic literacy skills.

#### **4. Plastic Waste Management and eco-friendly approach :**

In line with the institution's commitment to environmental sustainability:

- Expansion of "Go Shoonya," the waste management startup, by incorporating advanced recycling techniques, thereby increasing the recycling capacity and diversifying the range of recycled products.
- Introduction of new product lines that utilize recycled materials, such as eco-friendly furniture, accessories, and construction materials, contributing to a circular economy.
- Enhance public awareness through campaigns, workshops, and collaborations with schools and institutions, educating the community about responsible plastic waste disposal and the significance of recycling.
- Scaling up of the Go Shoonya electric vehicle "Shoonya Rath" fleet for efficient garbage collection across Mumbai, reducing the carbon footprint associated with waste disposal.
- Collaboration with municipal authorities to optimize waste collection routes, reducing travel distances, and streamlining operations for greater efficiency.

#### **5. Sustainable initiatives :**

- Implementation of rainwater harvesting system and promotion of waste reduction and recycling.
- Establishment of Nature clubs comprising students, faculty, and staff, promoting environmentally responsible behavior, and organising awareness campaigns and workshops.

#### **6. Introduction of Value added courses and skill enhancement courses:**

- In accordance with the National Educational Policy 2020, the institute will take measures to start value-added courses,

- Collaboration with other organisations and establishment of the institute as SWAYAM Local chapter for providing skill enhancement opportunities to the students.

### **III. Long-Term Goals (2026-2030)**

#### **1. Autonomous Institute :**

Amongst the first of its long term goals, the institute plans to become autonomous by the end of this decade which is in accordance with the NEP 2020. For this, the institute plans to take appropriate measures.

#### **2. Research and Innovation Hub**

- Creating an ecosystem that promotes research and innovation
- Establishment of a research incubation center that encourages interdisciplinary research on relevant societal challenges, providing state-of-the-art facilities and resources, designed to support students and alumni who are interested in starting their businesses.
- Facilitating collaborations between departments, creating a fertile ground for innovation and solutions to complex problems.
- Launching of an annual research symposium that showcases faculty and student research contributions, fostering a culture of inquiry and dissemination of knowledge.

#### **3. Inclusive Education**

Ensuring equitable education for all:

- Develop courses and support systems that accommodate diverse learning needs, catering to students with disabilities and varied learning styles.
- Collaborate with experts in inclusive education to offer training programs for faculty, equipping them with effective strategies to support diverse learners.
- Provide resources and technologies that cater to students with disabilities, ensuring that they have equal access to educational opportunities.

#### **4. Sustainable Campus**

Creating an environmentally responsible institution:

- Installation of solar panels for harnessing solar energy.
- Foster a culture of sustainability among students, staff, and the local community, encouraging them to adopt sustainable practices both within and outside the campus.

## **5. Infrastructural Expansion**

Anticipating the growth and diversification of academic programs:

- Extend the current 9-storey building to accommodate the growing number of courses and programs, ensuring that students have access to state-of-the-art facilities that support their academic pursuits.
- Incorporate modern architectural designs and eco-friendly principles in the building expansion, aligning with the institution's commitment to sustainability.
- Develop flexible spaces that facilitate cross-disciplinary collaboration, project-based learning, and experiential education, ensuring that the physical infrastructure complements innovative pedagogical approaches.

## **6. Plastic Waste Management and eco-friendly approach :**

- Collaborate with local industries to integrate recycled materials into their supply chains, fostering a culture of sustainable material usage and promoting the adoption of recycled products.
- Establish research partnerships with scientific institutions to explore innovative plastic recycling methods, contributing to the development of cutting-edge recycling technologies.

## **7. Community Outreach**

- Launching a mentorship program, connecting TRCAC students with school students from marginalised backgrounds, providing academic and personal support.
- Collaboration with NGOs to jointly address critical societal issues, including healthcare, education, women's empowerment, and environmental conservation.
- Implementing sustainable projects in rural communities, focusing on education, health, and livelihood enhancement, ensuring long-term positive impacts on the lives of community members.

## 8. Future Courses

- Launch at least two new courses, integrating practical training, internships, and industry projects to equip students with real-world skills.
- Develop niche courses that align with emerging fields, leveraging the expertise of faculty members and industry professionals to create unique learning opportunities.
- Collaborate with industries to design curriculum that not only imparts theoretical knowledge but also equips students with practical skills, enhancing their employability upon graduation.
- Explore online and hybrid learning models to expand reach, providing flexible learning options for working professionals, non-traditional students, and learners from diverse geographical locations.

## IV. Conclusion

Thakur Ramnarayan College of Arts & Commerce's 10-year Perspective plan reflects its commitment to educational excellence, sustainable development, and community engagement. By systematically addressing short-term goals and progressively working towards long-term objectives, TRCAC aims to create a transformative learning environment that empowers students, fosters innovation, and contributes positively to society and the environment. Through continuous monitoring, evaluation, and adaptation, the institution is poised to realise its vision of providing holistic education and implementation of sustainable practices.

**Strategic Plan for Academic  
year 2023-2024**

*Thakur Educational Trust's (Regd.)*

**THAKUR RAMNARAYAN  
COLLEGE OF ARTS & COMMERCE**

ISO 21001:2018 Certified

The dedicated team of TRCAC framed the institution's strategic goals after extensive preparation and discussion, led by the quality policy's mission and vision, core values, stakeholder expectations, and SWOC analysis. Annually, strategic plans are developed for each functional area.

### **Strategic Plan for Teaching and Learning**

- The academic calendar, reflecting various academic, co-curricular, and extracurricular activities, is posted on the website.
- The schedule of classes, which is prepared by the Schedule Committee, is posted on the website.
- The syllabi are mentioned and the daily activities are recorded by individual faculty members in the Faculty Diary.

### **Strategic plan for assessment and evaluation**

- The academic calendar includes the tentative schedule for two Continuous Internal Assessment (CIA) and semester-end exams.
- The schedule for exams are developed by the Exam Committee and posted on Notice board in a timely manner.

### **Strategic Plan for Co-curricular Activities**

- Annual plans are prepared by various statutory and non-statutory committees and then they are included in the academic calendar.

### **Strategic Plan for Extension Activities**

- Various extension activities such as Paryavaran diwas, Go shoonya, Swachh Bharat etc are planned and implemented by the NSS committee in accordance with University policies.

### **Strategic Plan for Quality Maintenance and Enhancement Initiatives**

- Various quality maintenance and improvement activities are planned in the regular IQAC meetings by the IQAC.
- Research Development Committee strives to enhance the research skills among teachers. The committee has organised a seminar, a workshop and a national level FDP in association with various organisations such as NIPAM.
- Entrepreneurship Development Committee (EDC) has taken initiatives in the year 2023-24 for the enhancement of entrepreneurship skills among students.

### **Strategic Plan for Placement and Higher Education (PHE)**

- Preparations for all rounds of internships, such as the Aptitude Test, Soft Skills, and Personality Development Program, are made for the students.
- The MoU for internships with Intershala enables students to register for internships.
- The number of on-campus placements has increased over the years (80+), and various companies have visited the campus for placement.
- Various capacity building activities such as pre-placement training, employability enhancement programs are conducted.

**INTERNAL QUALITY ASSURANCE CELL (2023-2024)  
MEETING MINUTES**

VENUE: Conference Hall

DATE: 18/09/2023

TIME: 11:30 am

The IQAC meeting was conducted which marked the ending of the semester. The meeting was attended by the members of IQAC to discuss the agenda given in the notice.

ATTENDEES	
Dr. Ravish R. Singh	Chairperson
Mr. Ravi Singh	Management representative
Ms. Anitha Nair	Administrative Officer
Mr. Vaqar Bubere	IQAC Coordinator
Mr. Raashid Shaikh	Member
Ms. Ranjani Shukla	Member
Mr. Sumeet Rathod	Member
Ms. Reenu Yadav	Member
Mr. Harsh Jain	Student's Representative

**Discussions and Decisions:**

1. Minutes of the previous meeting were read out and discussed in the meeting.
2. A proposed timeline for NAAC has been plotted:
  - A. Deadline for HEI registration has been set for 25/09/2023.
  - B. Ideal IIQA submission date should be 27/09/2023.
  - C. SSR submission must be completed within 40 days of IIQA approval.
3. In preparation for SSR submission committees have been made and responsibilities have been allotted to them.
4. Enquiries were made regarding the progress of the employability skill enhancement programme.
5. A Management Development Programme to induct faculties to provide holistic career support to the students has been proposed.
6. The IQAC coordinator proposed the vote of thanks.

HOME SHOONYA WASTE MANAGEMENT SHOONYA GREENS SHOONYA CARBON SHOONYA CYCLE ABOUT CONTACT US

## Vermicomposting using hand tumbler

Waste generated from the canteen is converted into manure using a decompose process, in both hand tumblers and ground pit.

## Recycling of plastic waste by Go Shoonya

Students at TRCAC are always motivated and encouraged by the management for holistic development, which assists them in building up their careers. To support this mission, the institution started an initiative called GO SHOONYA - Neutrality Redefined, on 24th September 2021, to collect plastics in and around the college campus. It is then recycled and turned into useful products that can be used in day today life.

## Upcycling of plastic waste by Go Shoonya

Go Shoonya believes in upcycling out of used, waste material or old things such as waste bottles, metal and wood and improving and turning them to develop new materials such as benches, flower pots, earrings etc.

## Solid Waste Management Dustbins

The institute follows a two-bin system to segregate solid waste generated in the college. Solid Waste generated from the college Premises is collected by Housekeeping Staff.

A battery-operated vehicle service in the campus of TRCAC was started in 2022. With this initiative, TRCAC adopted a green culture and promoted a greener ecosystem along with providing a pollution-free atmosphere to the residents near the campus. TRCAC is committed towards building a green campus. It has achieved a good amount of success in this endeavor through massive plantation drives, rainwater harvesting, and the same will continue.

Student volunteers of NSS conducted a clean and green program in the college campus to generate awareness about green and peaceful earth. The college restricts the usage of plastic bags on the campus. Special awareness programs were organized in a plastic free environment in and around the campus. Sufficient dustbins are placed in the appropriate places. Sign boards/Posters are provided for minimizing the usage of plastic. Drinking water purifiers are provided on campus and in each Floor to reduce the use of plastic bottles. Using plastic bags is minimized in campus stores and canteens and encouraged to use disposable eco- friendly paper plates and cups.
