## 2 Teaching Learning

### 2.1 Purpose

To ensure effective curriculum planning and delivery through a well-planned and documented process

### 2.2 Scope

- Course curriculum of MSBSHSE and Choice Based Credit System (CBCS) curriculum of MU
- Crosscutting issues relevant to professional ethics, gender, human values, environment, and sustainability integrated into the curriculum

### 2.3 Targets and goals

#### 2.3.1 Targets

- To ensure availability of all learning resources before the start of the term/semester
- To ensure the effective conduct of lecture, practical and tutorial as per timetable to cover 100% syllabus
- To ensure zero academic loss due to co-curricular, extra-curricular and extension activities
- To ensure student success in Continuous Internal Evaluation (CIE) /MSBSHSE/MU examination as per the educational organization objective
- To ensure student feedback about faculty teaching a course is at least 75%

#### 2.3.2 Goals

- To develop competency and capability in faculty to take up new courses which may be introduced due to syllabus revision from time to time
- To train faculty to adapt to new teaching learning methodologies
- To ensure the continuity of teaching learning process in any crisis

### 2.4 Responsibilities

5	Additional requirements for special needs education	Programme Coordinator
6	Control of educational nonconforming outputs	Programme Coordinator
7	Overall monitoring and control	Principal

## 2.5 Procedure

The procedure is based on effective delivery of Lecture/Practical/Tutorial as per timetable, academic calendar, and teaching plan. In case of any shortcoming in teaching learning process, necessary remedial work is carried out in coordination with the Programme Coordinators. Learning of the student is monitored by the faculty and Programme Coordinators based on continuous evaluation. All lectures and tutorials/practical are conducted as per the teaching plan and are reviewed from time-to-time to improve the efficiency and effectiveness of the teaching-learning process during term/semester. Students' learning is validated through mock activities, continuous internal evaluation (CIE) and semester end examinations (SEE). The process is monitored at three levels viz. Faculty, Programme Coordinators and Principal to avoid lapses.

Existence of communication channels is ensured by TRCAC so that special needs students can receive the information they need for their activity.

TRCAC has determined following inputs required and the outputs expected from Teaching-Learning Process:

Input required	From	Output expected	To
1. Number of students 2. Number of classrooms 3. Number of computer laboratories 4. Faculty	1. Admission	1. Daily attendance record 2. Defaulter list 3. Syllabus coverage 4. Feedback	1. Examination 2. Library 3. Co-curricular, Extra-curricular and Extension Activities 4. Placement and Higher Education

### 2.5.1 Identification of documented information, resources, and training needs

- All the documented information such as forms/formats, files, registers, documented information of internal and external origin required for Teaching Learning Process is identified and controlled as explained in Control of Documented Information Process TRCAC/MP/01.
- Identification of resources required for smooth conduction of the Teaching Learning process is initiated by the Principal as explained in Resources Process TRCAC/MP/02.
- Good working conditions are provided to Faculty as explained in Work Environment Process TRCAC/MP/03.
- Training needs of faculty are identified and training programmes are conducted as explained in Training and Development Process TRCAC/MP/04.
- Requirements for Teaching and Learning resources such as reference books, textbooks, e- books, etc. are given to Librarian for the procurements before the start of the term/semester as per the Library Process TRCAC/IP/04.
- All other resources (viz. stationary, displays, teaching aids, furniture, and fixture etc.) related to TLP are arranged before the start of the semester as per the Resources Process TRCAC/MP/02.
- Timetable Committee, Attendance Committee and Discipline Committee are formed at the beginning of the academic year by the Principal and all the members and students are informed accordingly.

### 2.5.2 Preparation of timetable

- Academic Calendar TRCAC/IP/02/FRM/01 is prepared by the Principal at least seven days before the commencement of the term/semester by considering the list of holidays.
- Class, divisions, as well as courses, are allocated by the Principal to individual faculty before the start of the term/semester.
- Workload Details TRCAC/IP/02/FRM/02 is communicated to the Timetable Committee.
- Master Timetable TRCAC/IP/02/FRM/03 and Division-wise Timetable TRCAC/IP/02/FRM/04 are prepared by the Timetable Committee at least three days before the commencement of the term/semester taking into consideration the following design and development inputs:
  - Number of divisions
  - Workload allocation to individual faculty
  - Availability of classrooms and laboratories
  - Availability of visiting faculty
  - Academic Calendar and syllabus
- Master Timetable TRCAC/IP/02/FRM/03 and Division-wise Timetable TRCAC/IP/02/FRM/04 are validated by the Principal.

f) Division-wise Timetable TRCAC/IP/02/FRM/04 is displayed on the notice boards at least three days before the commencement of the term/semester for information of students.

### 2.5.3 Preparation of programme outcomes, course outcomes and teaching plan

a) Term-wise/semester-wise teaching plan (Theory and Practical/Tutorials) is prepared by the faculty considering the following design and development inputs:

- 1) MSBHSSE/MU syllabus TRCAC/IP/02/EXT/01
- 2) Number of lectures/hours allotted to topics and subtopics as per the syllabus
- 3) Practical/Tutorials allotted as per syllabus

b) Faculty Diary (TRCAC/IP/02/REG/01) is maintained by each faculty which consists of the following design and development inputs:

- 1) Faculty Resume (TRCAC/IP/02/FRM/06)
- 2) Academic Calendar (TRCAC/IP/02/FRM/01)
- 3) Faculty-wise Timetable (TRCAC/IP/02/FRM/05)
- 4) Teaching Plan – Theory (TRCAC/IP/02/FRM/07)
- 5) Teaching Plan – Practical/Tutorials (TRCAC/IP/02/FRM/08)
- 6) Work Report (TRCAC/IP/02/FRM/09)
- 7) Attendance Record (TRCAC/IP/02/FRM/10)
- 8) Mark List (TRCAC/IP/02/FRM/11)
- 9) Examination Result Analysis (TRCAC/IP/02/FRM/12)
- 10) Leave Load Arrangement (TRCAC/IP/02/FRM/13)
- 11) Extra Lecture/Remedial Work Report (TRCAC/IP/02/FRM/14)
- 12) Individual Record (TRCAC/IP/02/FRM/15)

c) Once the courses are allotted, the Teaching Plan-Theory and Teaching Plan-Practical/Tutorials are prepared by the faculty. It takes the following design and development inputs:

- 1) MSBHSSE/MU syllabus TRCAC/IP/02/EXT/01
- 2) Number of teaching days available in the term/semester
- 3) Earlier Teaching plan
- 4) Student centric methods and ICT tools used
- 5) Timetable
- 6) Academic calendar

#### 2.5.4 Conducting lectures, practical and tutorials

- Classes are engaged in accordance with the Division-wise Timetable TRCAC/IP/02/FRM/04.
- Lectures are conducted by the faculty as per teaching plan and timetable. Course materials are given to the students well in time to enhance the lecture delivery in class.
- Practical/Tutorials sessions are conducted by the faculty as per Teaching Plan and Timetable.
- Lecture record is maintained in Work Report TRCAC/IP/02/FRM/09 on daily basis by individual faculty.
- Practical/Tutorials records are maintained in Work Report TRCAC/IP/02/FRM/09 on daily basis by individual faculty.
- Work Report TRCAC/IP/02/FRM/09 is checked on a weekly basis by the Principal or persons nominated by the Principal.
- The attendance of students is maintained in Attendance Record TRCAC/IP/02/FRM/10 on regular basis.
- Leave load arrangement is done by the faculty before availing any type of leave and record is maintained in Leave Load Arrangement Form TRCAC/IP/02/FRM/13.
- In case of any faculty being absent without prior adjustment of academic load, a substitute faculty is sent to the class by the Programme Coordinator and a record is maintained by the faculty who was absent in the Leave Load Arrangement Form TRCAC/IP/02/FRM/13.
- Academic loss in the subject due to the leave of the faculty is compensated within 15 days after joining by arranging extra lecture. A record is maintained in Leave Load Arrangement Form TRCAC/IP/02/FRM/13.
- Extra lecture is arranged by the faculty to complete the syllabus if required and a record is maintained in Extra Lecture Load/Remedial Work Report TRCAC/IP/02/FRM/14.
- Remedial lectures are arranged for slow learners and records are maintained in Extra Lecture Load/Remedial Work Report TRCAC/IP/02/FRM/14.
- Mentoring is done for solving academic and other related issues of students and records are maintained in Student Mentoring Handbook TRCAC/IP/02/INT/02.

#### 2.5.5 Additional requirements for special needs education

- All faculty, staff and students are educated and trained in assimilation of students with special needs.
- Students with special needs are identified and mentored.
- Priority seating are arranged in classroom for students with special needs.
- Flexibility in method of submission of class assignment/projects is given to of students with special needs.

- e) Peer mentoring is encouraged to promote inclusive education.
- f) Parents are communicated regarding the overall performance of students with special needs at regular intervals.

### 2.5.6 Control of educational nonconforming outputs

Following educational nonconforming outputs are identified in Teaching-Learning Process:

- a) Cumulative non-coverage of the syllabus is more than 20% at the at the end of each month or at the end of semester
- b) More than 20% faculty are not achieving the 75% satisfaction level
- c) College results go 15% below the expected results which are defined in the educational organization objective
- d) No efforts are taken to address problems of slow learners

### 2.6 Risks and opportunities

Sr. No.	Risk	Mitigation	Opportunity
1	Lack of co-ordination between Programme Coordinator/Faculty/ Students	The final timetable is distributed to respective Programme Coordinator, faculty, and students.	The smooth conduct of all the lectures by the faculty as mentioned in the timetable.
2	Non-availability of faculty due to leave	Lecture adjustment within or from other departments is done by the Programme Coordinator.	Increased flexibility and adaptability of the faculty helpful for the department.
3	Resignation of faculty during term/semester	At least 10-15 biodata should be ready in each department.	Can recruit well qualified and experienced faculty from the available biodata.
4	Closedown of institution due to crisis (pandemic, riots, social issues, etc.)	Training students and faculty for online education	Will increase awareness about various ICT tools which will enhance the quality of delivery and evaluation and will help in learning.
5	Lack of knowledge and understanding of students with special needs.	Proper information is collected during admission and communicated to faculty and staff regarding such students.	Training opportunities and sensitization of faculty in areas of special education

## 2.7 Monitoring and measurement

- Cumulative Monthly Attendance Report TRCAC/IP/02/FRM/17 is submitted by the attendance committee on fifth of every month for display on the notice board. In case of the defaulter, corrective actions are initiated by the attendance committee as per the guidelines given by the Principal from time-to-time.
- Cumulative Monthly Syllabus Coverage Report TRCAC/IP/02/FRM/18 is submitted by Programme Coordinators on fifth of every month during the term/semester to the Principal.
- Corrective actions are initiated and completed by the Programme Coordinators as needed.
- Undertaking is taken from parents/guardians on Declaration by Parents/Guardians Form TRCAC/IP/02/FRM/19 at the start of the term/semester for ensuring the attendance and academic performance of the student.
- Any document provided for use by the students is identified, verified, protected, and safeguarded. When any document is lost, damaged, or otherwise found to be unsuitable for use, students are reported and appropriate corrective actions are taken and documented information on what has occurred is retained.
- Students' data i.e., their assignments, journals, project books etc. are kept under safe custody to ensure its protection and transparency. Only faculty members have access to students' data. Students are given access to their own data, and the ability to correct or update their own data. All appropriate measures are taken to ensure that students' data can only be accessed by faculty members. Technological protection measures are also validated.
- Protection of data of students particularly in the scenario of on-line classes is ensured through Google Classroom. Only admitted students can join the google classroom and access their data i.e., assignments, grades, quizzes, etc. through their registered email ids.
- Feedback on the academic performance and ambience of the institution, Course Survey, and Student Satisfaction Survey are conducted in each semester/year and appropriate corrective actions are initiated and completed by the Programme Coordinators as explained in Feedback and Survey Process TRCAC/MP/05.
- Corrective actions for detected risks, educational nonconforming outputs, and nonconformities are initiated and completed by Programme Coordinators as explained in Corrective Actions Process TRCAC/MP/08.

## 2.8 Analysis and evaluation

- Teaching Learning Process review is done by the Principal. Academic conduct review consists of lecture/practical/tutorial conduct, syllabus coverage, student attendance, examination results, student feedback, mentoring reports, pending nonconformities and corrective actions, pending

14	2	Explain the Concepts related to Materials Management	15/12/2022	07/12/2022			
15		Describe the Objectives of Materials Management	17/12/2022	08/12/2022			
16		Describe the Objectives of Materials Management (continued)	19/12/2022	10/12/2022			
17		Explain the Importance of Materials Management	21/12/2022	12/12/2022	Discussion & problem		
18		Explain the Importance of Materials Management (continued)	22/12/2022	17/12/2022			
19		Explain the Concepts related to Inventory Management	24/12/2022	17/12/2022			
20		List down the Importance of Inventory Management	02/01/2023	19/12/2022			
21		Recall the Techniques of Inventory Management	04/01/2023	24/12/2022	Inquiry & discussion		
22		Calculate Re-order Level	05/01/2023	02/01/2023			
23		Calculate EOQ	07/01/2023	04/01/2023			
24		Calculate EOQ (continued)	09/01/2023	05/01/2023	Case Study		
25		Explain Productivity	11/01/2023	07/01/2023			
26		Calculate Productivity	12/01/2023	09/01/2023			
27		Explain the Importance of Productivity	14/01/2023	11/01/2023			
28		Identify different Factors of Productivity	16/01/2023	13/01/2023			
29	Explain TQM	18/01/2023	16/01/2023	Discussion & problem			
30	3	Explain the Concepts related to TQM	23/01/2023	17/01/2023			
31		Compare different Approaches of TQM	25/01/2023	18/01/2023			
32		Compare different Approaches of TQM (continued)	28/01/2023	23/01/2023	Inquiry & discussion		
33		Explain the Concepts related to SQD	30/01/2023	25/01/2023			
34		Explain the Characteristics of SQD	01/02/2023	27/01/2023	Discussion & problem		
35		Describe the Objectives of SQD	02/02/2023	28/01/2023			
36		Explain SERVQUAL	04/02/2023	30/01/2023	Case Study		
37		4	Explain Lean Thinking	06/02/2023	01/02/2023		
38			List down different Kepner Tregor Methodology of problem so	08/02/2023	02/02/2023		
39			List down different Kepner Tregor Methodology of problem so	09/02/2023	04/02/2023		
40			Explain the Features of 6 Sigma	11/02/2023	06/02/2023		
41			Describe the Enablers of 6 Sigma	13/02/2023	08/02/2023		
42			Summarise the Goals of 6 Sigma	15/02/2023	09/02/2023		
43			Describe the Concept of DMAIC/DMADV	16/02/2023	13/02/2023	Case Study	
44			Describe TAGUCHI'S QUALITY ENGINEERING	20/02/2023	15/02/2023	Inquiry & discussion	
45			Describe the Concept of ISO 9000, ISO 1400	22/02/2023	16/02/2023		
46			Describe the Concept of QS9000	23/02/2023	20/02/2023		
47			Describe the Concept of Malcolm Baldrige National Quality A	25/02/2023	23/02/2023		
48	Describe the Concept of Deming's Application Prize		27/02/2023	25/02/2023

Course: International Finance

Lecture No.	Unit No.	Outcome Planned	Planned Date	Completion Date	Student Centric Method and ICT Tool	Remarks	
1	1	Define International Finance	19/12/2022	19/12/2022	Inquiry & discussion		
2		Describe the Importance, Scope, Globalisation of International Finance	20/12/2022	20/12/2022			
3		Explain the Goals, Challenges of International Finance	21/12/2022	02/01/2023	Discussion & problem		
4		Locate the Accounting Principles of Balance of Payment	22/12/2022	03/01/2023			
5		Explain the Components, Business & Management of Balance of Payment	02/01/2023	04/01/2023			
6		Summarise the Production & Consumption of Balance of Payment	03/01/2023	05/01/2023	Inquiry & discussion		
7		Interpret Different Monetary Systems	04/01/2023	09/01/2023			
8		Interpret Current Exchange Rate Arrangements	05/01/2023	10/01/2023			
9		Interpret Flexible Exchange Regimes	09/01/2023	11/01/2023	Discussion & problem		
10		Identify Spot Forex Market, Foreign Bank Note Market	10/01/2023	13/01/2023	Case Study		
11		Calculate the Exchange Rate Quotations	11/01/2023	16/01/2023			
12		Discuss Factors Affecting Exchange Rates	12/01/2023	17/01/2023			
13		Explain the Structure of Foreign Exchange Market	16/01/2023	18/01/2023			
14	2	Explain the Types, Settlement Date Foreign Exchange Market	17/01/2023	19/01/2023			
15		Calculate Arbitrage Foreign Exchange Market	18/01/2023	23/01/2023	Discussion & problem		
16		List Forward Quotations	19/01/2023	24/01/2023			
17		Explain International Parity Relationships	23/01/2023	25/01/2023			
18		Explain International Parity Relationships (continued)	24/01/2023	27/01/2023			
19		Describe Foreign Exchange Rates	25/01/2023	30/01/2023	Inquiry & discussion		
20		Describe Foreign Exchange Rates (continued)	30/01/2023	31/01/2023			
21		Infer Currency Options	31/01/2023	01/02/2023
