### Report on Feedback for A.Y. 2022-23

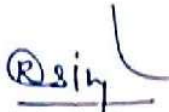

The College has sought feedback from various stakeholders using two types of questionnaires as suggested by NAAC as under:

- (a) Academic Performance
- (b) Ambiance of the institution

The feedback is taken online using Google Form and circulated to the students. The feedback thus generated is analysed by IQAC with the help of teachers. The major suggestions from various stakeholders are compiled and an Action Taken Report is prepared and submitted to the Principal for further action. The major suggestions with respect to the syllabus are shared with the faculty in the staff meeting. Finally, the Feedback Analysis and the Action Taken Report are submitted to the College Development Committee and to the Governing Council for further review.
