### 3. College Website E-resources links

Recognizing the role of library and information services in meeting the requirements of the Institute's academic, research, training and consultancy programmers, the LIBRARY was set-up as one of the key Divisions of the Thakur Ramnarayan College of Arts & Commerce, Mumbai.

E- Resources are digital objects containing electronic representation of books, journals and other form of reading materials and they are converted into a digitized form in order to be read by a computer. An e-database is an organized collection of large information, of a particular subject or various subject areas. The information of an e-database can be searched and retrieved electronically. Contents include journal articles, newspapers articles, books reviews and conference proceedings, etc. e-databases usually updated on a daily, weekly, monthly or quarterly, half yearly or yearly basis. Library resources are now available electronically and can be access via the web. You can
