- **Expected to increase:** The seminar aimed to create an awareness among the participants about IPR, Patents and Design filing.

BRIEF INTRODUCTION

Thakur Ramnarayan College of Arts and Commerce had organized a Seminar on “Intellectual Property Rights (IPR) & Patents and Design filing” on 21st January 2023 from 11:00 a.m. to 12:00 p.m. It was attended by the faculties and students of the college. The seminar aimed to create awareness and information about Intellectual Property Rights, Patents and Design filing. The seminar was organized by Research and Development Cell (RDC) in association with Rajiv Gandhi National Institute of Intellectual Property Management (RGNIIPM) Government of India, Nagpur under National Property Awareness Mission. The resource person for the seminar was Mr. Nirmalya Sinha, the Jt. Controller of Patents & Designs, RGNIIPM Nagpur. The resource person briefed the participants about protecting their individual intellectual patents and design. The session also helped the students and faculties with the procedure of filing for the property rights. The speaker also explained the importance and security that IPR provides. The seminar was interactive as the participants interacted with the resource person. The session ended with the participants' questions. Participants asked a variety of questions to the resource person which were satisfactorily answered.

OBJECTIVES OF ACTIVITY:

- To spread awareness about Intellectual Property Rights, Patents and Design filing
- To understand and provide security to an individual's intellectual property.
- To train the participants on how to file for the Copyrights and Trademark
- To motivate the participants to ensure the safety of their own brainchild.

About TRCAC

The Thakur Ramnarayan College of Arts & Commerce is an intellectual community that nurtures students' learning and fosters faculty research while facilitating service to a large community. Here, individuals are able to interact with their peers, in a deep, meaningful way both inside and outside of the classrooms.

At TRCAC, we stress on collaborative learning, individual intellectual development

and respect for diversity of opinion as we believe it helps graduates in adapting to a rapidly changing world. An under-graduate major in Arts, Science, Commerce & Self-Financed Courses develop critical thinking, clarity of expression and breadth of knowledge in every student.

About TRCAC's Research & Development Cell (RDC)

The Research and Development Cell (RDC) of Thakur Ramnarayan College of Arts and Commerce was initiated in the year 2022.

A Research Cell functions in the College with the aim of promoting research culture among the faculty and students. The committee meets: to discuss various aspects of research programme on a timely basis & to encourage teachers to take up major and minor research projects.

About IQAC

Internal Quality Assurance Cell (IQAC) has been established in the college as proposed by UGC and NAAC. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the Institution. It is the part of the Institution's system and work towards realization of the goals of quality enhancement and sustained development.

The Three Days Workshop on Teaching Methodology: Shift from Teacher to Facilitator

Date: 28th April 2022 to 30th April 2022

Time: 8:30 a.m. to 10:30a.m. & 11:00 a.m. to 1:00 p.m.

BACKGROUND

• **Reason/Objective:**

1. The objective of the faculty development program was to provide an opportunity to the faculty members for upgradation of their knowledge and teaching pedagogy.
2. Another vital objective was to equip the faculty members for a smooth shift from being a teacher to a facilitator.

• **Conducted under:** IQAC committee

• **Usefulness:** The program was conducted to educate the faculty members about various innovative ways to interact with students as well as teach them the course syllabus effectively.

• **Expected Outcome:** The program is expected to enhance the skills of all the faculty members to innovate their teaching styles. Another expected outcome is that the faculty members will be well aware of the knowledge and skills to deal with student's problems as first responders.

BRIEF INTRODUCTION

The faculty development program was organized by the IQAC committee. The program was divided into three days and each day consisted of two sessions. On the first day, Mr. Niketan Tware taught the faculty members the use of powtoons and the importance of interacting through a YouTube channel. The second session was conducted by Dr. Avinash De Sousa. He taught the faculty members about important skills necessary for maintaining a healthy class environment as well as skills to handle student's problems. The second day consisted of two sessions conducted by Mr. Prajesh Troksy and Mr. Samrat Srivastava respectively. The first session brought to light a very important lesson apart from many others, "Every student already has the knowledge, Education is the way to draw it out." In the second session we learnt various gamification tools to make lectures more ITC enabled and interactive. On the third day, the FDP commenced with a session by Mr. Madhusudan Sohan on the topic 'Resource Management to develop E-content'. This session taught the faculty members about various ways in which recorded lectures can be stored and optimized for best results. Lastly,

we wrapped up with a rather interactive session by Mr. Prashan Pandey on Cyberbullying and Prevention. This session went beyond the said topic and covered other necessary laws and its implications in day-to-day life, the knowledge of the same proved to be very empowering. All the three days had one thing in common- rich interaction among the faculty members and resource persons.
